Webinar Chat
March 31, 2020

13:30:05 From Sophia Alston : Hello. Can we get the links to the sources being discussed?

13:32:14 From Michael C : Hi Patrick, please let us know the name of the 'NIDA' solution you are using.

13:33:53 From Kelly Steely : Please share any web-based resources that show promise.

13:33:56 From Michael C : Richard, please share with us your email address.

13:34:06 From Patrick Hoppe : The Electronics online curriculum by NIDA is located at <http://nida.com/>

13:34:56 From Patrick Neal : Has anyone taught Welding online?

13:35:25 From Richard Buhnerkemper : Please email Rich B at buhnerkemperr@gtc.edu for any CNC questions. I have some exciting ideas and weblinks to new tech.

13:36:28 From Patrick Hoppe : Multisim is owned by National Instruments. The link to learn more about it is: <https://www.ni.com/en-us/shop/electronic-test-instrumentation/application-software-for-electronic-test-and-instrumentation-category/what-is-multisim/multisim-education.html>

13:37:09 From Carrie Scheiderer : We had the opportunity to visit Gateway last summer and really enjoyed it! Thanks so much for hosting the PLSP Fellows!

13:37:20 From Michael C : Online welding instruction is offered free by <https://www.trailer-bodybuilders.com/archive/article/21727546/online-welding-electricity-courses-are-free>

13:38:00 From Kelly Steely : Will the chat be included in the recording so I can share all of this?

13:38:13 From Patrick Hoppe : My email is hoppep@gtc.edu Pat Hoppe

13:41:10 From ACTE SPD : We will provide this chat as an additional file/link with the recording.

13:46:01 From Jon Graft : Ohio has allowed nurses to go into the field and take the test after the Pandemic.

13:46:19 From Casey Sacks : @Jon, that's wonderful

13:50:28 From Jon Graft : Our communication with our community.

13:51:11 From Brandon Hudson : Several of Tennessee's campuses are using Tooling-U. <https://www.toolingu.com/>

13:51:40 From Kelly Steely : What are your plans for remote students? We have 4 community colleges in our entire state- many students do not have internet access at home because it is not available consistently.

13:53:07 From Sophia Alston : Internet hot spots are being set up in campus parking lots

13:54:21 From Jason Simon : Dr. Sacks, what is the name of the database you mentioned where online content is being rated?

13:55:10 From Jon Graft : WIFI Available on LeSourdsville Campus & Fairfield Township Campus. The student parking lot by the main building at our LeSourdsville Campus is now filled with WiFi to support up to 100 Butler Tech issued laptops and Chromebooks.

13:56:21 From Jeff Henderson : We start using www.electude.com for are auto tech program. Looking at it for our Diesel Program.

13:59:37 From Casey Sacks : www.TechforLearners.org

14:00:16 From Jason Simon : Thank you!

14:08:06 From Jon Graft : Zoom themes work well! Sports themes, music themes, favorite movie theme backgrounds...

14:11:08 From Jon Graft : We have instructional coaches to assist with our Teachers to mobilize online learning.

14:11:44 From Jon Graft : We assigned our Workforce Strategists to each building as well.

14:12:59 From Brittney Williams : Has there been any discussion to modify dates and deadlines for Perkins at the federal level?

14:18:10 From Casey Sacks : www.ed.gov/coronavirus

14:18:37 From "AL" Long : Dr. Sacks....what direct resources is OCTAE planning to provide CTE'S? Dr. Albrecht what alternatives to PD opportunities are you all looking at for your staff...have you started to look into 2021? Mr. Graft.....How are you addressing the lack of on campus recruitment opportunities that you would normally have during this period?

14:19:21 From Jon Graft : We are going to do virtual recruitment opportunities....

14:19:49 From Casey Sacks : The CARES act provides \$30.75B for education. We're working now to get those funds out to states.

14:20:39 From ACTE SPD : We will post this webinar on the ACTE website within the next couple days, along with the chat and resources. Please e-mail me at lfillebrown@acteonline.org if you have any questions or have trouble finding the recording.

14:22:22 From "AL" Long : Thanks Jon, I would be curious as to how that would work. Please feel free to share best practices...allongjrme@gmail.com. Thank you Dr. Sacks, would there be snap shot of how that \$30B would be distributed so individual CTE's would be able to level set their expectations. I would love for you to share that info via: allongjrme@gmail.com

14:24:50 From Georgia Reagan : Thank you Lauren and Michael for setting this up!

14:24:51 From Kelly Steely : Thank You!
